Guinguette Outdoor Wall Lamp - 140 Mm

Development of the indoor collection, LA GUINGUETTE OUTDOOR presents the applique and suspension solution for outdoor living areas and above all the interesting head light proposal, an original but sober lighting solution suitable for open spaces. The GUINGUETTE head light is a structure where, using special accessories, a series of suspensions are placed on stainless still cable AISI 316, provided with a central support rod and aerial hooking for their safe anchoring. The lamp is supplied with standard sizes that can be changed at the time of installation.
